

December 9, 2020

To the members of the Huntsville Church of Christ:

As your shepherds, we want to say "Thank You" for your support of our congregation in 2020. This has been a difficult year in many ways. However, with your help and guidance from the Holy Spirit we have been able to continue the work God has placed before us.

The Huntsville Church of Christ has a long history of providing financial support to those in need. We are thankful for the support you have provided in good times and tough times. It confirms your desire to be obedient to God by making his work a priority in your life.

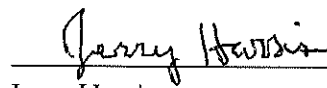

Your support continues to make a difference in the Lord's kingdom. Your financial support allows us to preach the gospel locally, to provide outreach to others in our community and to help support those serving in foreign mission fields around the world. The success of these efforts requires the full backing of the congregation and would not be possible without your help.

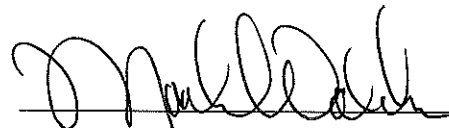

As we prepare our 2021 budget and refocus on the work at hand, we ask that you do the same. Please prayerfully consider your giving for the new year. We have tried to provide several ways to making giving easier and more convenient for you. So, whether you choose to give in person, at the drop box or online, we are grateful for you and your generosity. Thank you for all you have done and continue to do as we work together in the Lord's kingdom. We love you all.

Your shepherds,
