PRAYER REQUESTS

Jim Doshier had surgery on his shoulder on 12/23. On 12/28 he was diagnosed with aspiration pneumonia and was intubated. His kidneys were not doing well, so dialysis began on 12/28 as well.

Ann Yarbrough fell at her home on Tuesday morning, 12/28. Fortunately, she did not suffer any broken bones. Her daughter & caregiver, Susan, requests prayers as Ann's dementia is getting worse.

Have you ever used a business or service only to find out shortly after that someone in our church family offers that and you didn't know? Or you need a service and would like to first call someone in our church family who does that?

We are in the process of creating a business and service directory!

If you own a business or work in a particular service and would like to be included in our directory, please send the information below to Karen Altom via email at kaltom@me.com.

THANK YOU

Jason Tucker would like to thank his fellow Brothers in Christ who got together on Tuesday, 12/28 to help a church member move into a new home. Jason said that in about two hours everyone met, moved items from the old house to the new, and then got back to HCOC to share a meal together. Many hands make light work. Thanks again, BIC!

Words of Thanks and Recognition for our Music/Singing Ministry:

There is nothing quite like good acapella singing to enhance our worship service when all the parts are being sung with enthusiasm and purpose. This is what I believe we have at HCOC; and as we close out 2021, there are at least four groups I want to recognize for their contributions to this: (1) **Our song leaders** – it is a good feeling to have when I ask Garry, Cullen, and lately Pristine (and yes, myself), to plan and lead our Sunday song service and *know* that this is going to be done well. In addition, having more than a few song leaders gives us the opportunity to sing more types of songs since our song leaders have different styles and preferences for the songs they lead. (2) **Our Mic'd singers** – this group gives those who listen online the blessing of hearing all four parts and *harmony* rather than just our song-leaders, which is what it primarily was before we had mic'd singers. (3) **Those in the Booth** – Thanks to Jacob, Stephen, Barre and others who work each week to make the songs and verses our song leaders have selected appear correctly on the screens is also a blessing in that it keeps us together and also enhances our singing since we are looking *up* at the screens instead of down as we sometimes do when we use our song books. (4) **Our Congregation** – thanks to all of our members for participating in and supporting our song services, song leaders and mic'd singers. Let's keep all this going in 2022! *Gary Whelan, Deacon of Worship*
