**Melissa Miller's great grandson's father, Jason Coles,** is in IMU in The Woodlands due to complications following an emergency appendectomy.

## **THANK YOU HCOC!**

Dear church,

Thank you so much for all the Christmas cards, gift cards and thinking of my family. I was so surprised when Amy told me the church had a present for me and I was even more surprised when I saw the amount of cards. My wife really enjoyed the gifts as well, as she claimed and stole Target, Hobby Lobby, Bath and Body Works, Starbucks and Grub Hub. Just to give a few examples: The night we came back from vacation we used the Olive Garden gift card, it made life a bit easier because we were not unpacked and didn't know our dinner plans yet. We got to use the Saltgrass gift card for a date night and we really enjoyed that. We got to use Aldis for a New Year's gathering for snacks, and I found my new favorite salami at that store. I used the Amazon card for a new life vest for kayak fishing and a new pair of mud boots from Academy. The Kroger and Visa gift cards were great as well and made my day. Thank you for thinking of my family. When all of your hard earned money could have been spent and saved for your own family, you thought of mine. Thank you not just for the gift cards but just for thinking of me and taking time out of your day to make ours a little extra special. My dad even got a gift card to Wal-mart and he really liked that. If I left anyone out, I apologize, there were just so many. Thank you thank you thank you for everything!!!

KENNY POSEY, HCOC SECURITY OFFICER

I want to thank you for all of your prayers the last 4 1/2 years. They were heard by our Lord and savior as my brother Clifford lived twice as long as they thought. And now he has gone to accept his reward in heaven.

The support and love for me and my family here is never ending.

Love you all, Doug Paschal
