## **ATTENTION LADIES:**

Activities such as baby showers, bridal showers, going away parties, etc... are beginning to return to normal since the pandemic. This is just a reminder that there is no special committee at church that organizes these activities. So...please feel free to take charge and organize these types of activities if you know of someone that is in need of such. Also, please get with Amy Balch as soon as possible, and let her put it on the church calendar, and sign up to use the fellowship room, if needed. This is very important, as our building is used for many different types of events.

If you need help organizing one of these events, I'll be glad to help with logistics. We have an amazing church family and a wonderful facility, so let's continue to bless everyone we possibly can.

Thank you for all you do for others, and may you continue to be blessed in every way! – Renee Spencer
