

Summer has finally arrived! I am beyond excited to begin our summer fellowship and fun together as the HCOC Youth Ministry! Attached below is the activity schedule for next week (6.8-6.13). We want to provide your child every opportunity to spend time with other Christian teens and with Jesus this summer. This schedule offers a variety of activities that is sure to have something for everyone.

"Everyday Jesus" was founded on the principles that when a teen fully invests their time and energy in an environment that is safe and Christ-centered, then they will develop spiritually and emotionally together as The Family of God. I encourage you to participate in as many things as you can and hope that you are able to make it to at least one thing every week.

The last thing to keep in mind, is the ongoing safety concerns due to COVID-19 and other happenings of this world. Rest assured, that safety precautions will be put in place to protect your child while they are involved in HCOC Youth Ministry activities. We will provide masks when we are indoors at the HCOC and when we are travelling together in vans. The HCOC building is equipped with sanitation procedures and resources and the vans will be equipped with similar resources as well.

We want your child to participate in our activities and continue to grow their faith in Jesus. We also want you as the parent or guardian of your child to feel confident that your child is safe. If you have questions or concerns I am happy to discuss those with you. I hope all of you have a blessed week and hope to see you all very soon.

Blessings,

Evan B. O'Rear
